

## ST-1009-3.6 Dome Color CCD Camera

### Features:

- 1/3" Interline transfer CCD
- Color: 420 Lines of resolution
- 0.2 Lux
- S/N Ratio: >45 dB
- Shutter speed: 1/60 - 1/100,000 sec.
- Standard Lens: 3.6mm
- Optional 6mm, 8mm, 12mm lenses available

### Description:

This camera is perfect for discretely blending in high risk areas where obvious yet attractive security is a must. Perfect for banks, check cashing stores, markets etc. This unit provides direct video output to any monitor or VCR with its built-in RCA connectors. The 420 resolution lines with great light sensitivity of 0.2 Lux provide a super sharp image. Simple plug and play installation makes it very easy to install and use. The special shell is designed to be impact resistant.
